WORK EXPERIENCE

Front-End Development Intern

Webakruti (12/2023 – 05/2024)

- Worked with team of 5 web developers and provided end-to-end solutions for clients
- Used best practices in HTML and CSS to develop a static site based from a static image of a website design.
- Collaborated with teammates and updated application versions using Git.
- Ensured that all team members and adhered to standards operating procedures.
- Performed daily operations and maintenance tasks to ensure 10 web pages under Webgurukul are up-to-date and free of errors.

PROJECTS

I have designed multiple web pages like biography, courses, ticket booking, login, e-commerce, business pages and weather app with HTML and CSS and added functionality with javascript.
